City of Allen Park Resolution to Encourage Safety of Remote Control Locomotives

WHEREAS, the City of Allen Park has a duty to provide for the public safety of its citizens; and

WHEREAS, railroad equipment, including the use of remote control locomotives, is known to present significant danger to persons and property from collisions, derailment and possible release of hazardous materials; and

WHEREAS, the United States Government has issued a safety alert against vandalism and terrorist threats against railroads; and

WHEREAS, the City Council believes that it is not in the best interest of our residents to see this technology put into place without a thorough survey;

NOW, THEREFORE, BE IT RESOLVED, that the City of Allen Park request, in the interest of the safety of the citizens of Allen Park, that the Federal Railroad Administration conduct a comprehensive and thorough review of the safety of remote control locomotives and develop comprehensive regulations for the use of remote control locomotives to ensure that the safety and well being of the citizens of Allen Park will not be jeopardized by the use of such devices.

I, John D. Weise, City Clerk, in and for the City of Allen Park, County of Wayne, State of Michigan, do hereby certify that the foregoing is a true and correct copy of a resolution passed by the Allen Park City Council at a Regular City Council Meeting held on November 25, 2003.

John D. Weise – City Clerk
